

Be the change you want to see in the world

## Welcome to m8kadifranz.

I can hardly believe we are finally here. It is a project that has been close to my heart for a long time and I hope that you will feel the same.

The concept that “the world is a terrible place full of problems” has been getting a lot of airplay in the last few years but I believe that “the world is a wonderful place full of challenges”.

It is not our job to fix the world but if each of us takes part in finding solutions to these challenges then we can create a tidal wave of change and truly make a difference.

## Virtual Bazaar

For those of you who celebrate Christmas m8kadifranz Virtual Bazaar has the perfect gift

Each gift gives FOUR TIMES.

- 1 To the artisan who made it and their employees and families,
- 2 To you the giver for being able to make a difference,
- 3 To the receiver – especially if you have shared the gifts background,
- 4 And all profit from these gifts goes to Auzzie Mozzie or Opportunity International.

So.....BUY UP BIG!!

The items available from the Virtual Bazaar will change every few months so stay tuned.

## Quote For The Month

I saw this quote framed in the kitchen of Nelson Mandela's house

“There is no limit to what can be achieved if you don't give a damn who gets the credit”

Be the change you want to see in the world

## Auzzie Mozzie

For all of you that have dreamt of having the largest, the hairiest, or the sexiest moustache, here it is – the perfect challenge.

One of our sponsors has had the heartache of losing his brother to malaria. His brother, James, was Australian and just 28 years old. Our sponsor Steve has asked friends and family to sponsor him to grow the largest scariest Mo!!!

I challenge one of you to take him on. I will happily post photos of the competitors in next month's newsletter.

We have now had five wonderful schools take part in raising money to stop children dying from malaria and to help end the epidemic of suffering and brain damage that this disease is causing. Every cent they have raised is spent on nets – guaranteed over heads and beds. You can view the journey of their nets and the communities that receive them by clicking on the flag on the right hand side of their page.

Being invited into the schools to speak and meeting the teachers and students has been an absolute joy so "Thank you".

Thank you also from the bottom of my heart to ALL our sponsors and supporters.

## Ideas for Making a Difference

I am constantly amazed at the imagination and dedication that people have shown in making a difference to something they feel strongly about.

I would love to hear your ideas on how you have made a difference and would be happy to share some of these ideas on m8kadifranz. Write to me at [leah@m8kadifranz.com](mailto:leah@m8kadifranz.com)
